

Summer 2021

Dear Friends of the Community,

*You are cordially invited to an exciting and worthy event coming this fall!*

**What:** Parkinson's Exercise Program for You (PEP4U) presents its **7th Anniversary Gala** - enjoy a sunset soiree with gourmet food, drinks and entertainment. Opportunities to support PEP4U through auction bidding and underwriting will be featured along with live music and special guest appearances.

**When:** **Saturday, October 2, 2021 from 5:00 – 8:00 pm; \$50 per person - advance tickets on the [website](#)**

**Where:** Crestavilla – An Atria Signature Residence at 30111 Niguel Road, Laguna Niguel (949) 272-9772

**Who:** Offering nearly 500 classes per year to over 200 individuals and their families since its founding, PEP4U is focused on providing **no-cost** specific group physical, educational and social programs of the highest caliber for people with Parkinson's disease (PD) living in Orange County. PEP4U is operated under the auspices of the Parkinson's Association of Orange County (PAOC), a 501(c)(3) non-profit organization.

**Why:** PD is a chronic progressive neurologic disease for which currently there is no cure. However, recent research shows that regular vigorous exercise can slow functional decline and progression of the disease. The need for these programs continues to grow throughout all of Orange County. The success of PEP4U depends primarily on active volunteers, grants, donations, and fund-raising events.

**How you can help:** We respectfully ask that you consider attending our Gala and supporting PEP4U by becoming a sponsor, making a direct or an in-kind donation of high-end goods or services. Your generous support will allow PEP4U to not only continue but also expand the professional level of exercise therapy that has been proven to be effective and helped so many with PD.

Please see the enclosed documents for sponsorship levels and instructions for making a donation. In addition to promotion of your business or organization at the Gala, you will receive publicity in the PEP4U literature, website and marketing materials.

**Contact:** Send an email to [gala@pep4u.org](mailto:gala@pep4u.org), call PEP4U @ 949-264-3341 or visit [www.pep4uwellness.org](http://www.pep4uwellness.org)

The success of our program depends on corporate and community involvement. Thank you for investing in and helping to improve the quality of life of local residents with PD, their families and care partners!

Most Sincerely,  
Kerry Keen
